

Walker 21578 Universal Spark Arrestor Muffler

Product Description

The Walker 21578 Universal Spark Arrestor Muffler is a premium exhaust component designed to meet stringent environmental and safety standards. Built with durable aluminized construction, this muffler is engineered for both vertical and horizontal installations. It effectively separates solids from exhaust gases, making it ideal for various vehicle applications. Approved under USDA Forest Service Standard 5100-1a, the Walker 21578 ensures reliable performance and longevity. Walker offers a comprehensive range of replacement emissions control systems, catering to popular domestic, import, commercial, and off-road vehicles.

Key Features

- Aluminized Construction: Ensures durability and resistance to corrosion.
- US Forest Service Tested and Approved: Complies with USDA forest service standard 5100-1a.
- Versatile Installation: Suitable for both vertical and horizontal installations.
- Efficient Internal Construction: Aids in separating solids from exhaust gases.
- Complete Coverage: Walker accessories help ensure effective exhaust repairs.

Technical Specifications

- Brand: Walker
- Item Weight: 4.85 pounds
- Product Dimensions: 18 x 8 x 8 inches
